

About Us

Line of Business

AVP MFG & Supply Inc., founded in 1985, is a manufacturer of commercial broadcast, telecom, and satellite equipment, including the design and manufacturing of audio, video, and digital jackfields, connectors, wire and cable assemblies. AVP sells through world-wide distribution, and also partners directly with clients, designing and manufacturing custom jackfield and panel solutions for its broadcast, telecom, and satellite customers and OEM relationships.

The AVP Team

The AVP Team consists of personnel who are focused on quality customer relations and service, advanced design engineering, and manufacturing excellence.

Major Products

- Patented Mosaic Product line with Circuit Identification System (CIS)
- Patented Rapid Punch Terminals(RPT) Jackfields and Wall Blocks
- Patented Award-winning Morph System Audio Jackfields
- SuperHD+ Ultimate Serial Digital Video Jackfields
- EDAC Connectorized Jackfields
- Patchcords and Cable Assemblies
- Custom Telecom and Satellite Panels

Marketplace

AVP sells world-wide, through distribution, systems groups, and OEM channels, to commercial broadcast, telecom, and satellite end-users. AVP is currently represented in the Americas, Europe, Israel, Africa, India, China, SE Asia, and Australia.

Summary

AVP Mfg. & Supply Inc. designs and manufactures premium quality, innovative product for its targeted market sectors. Exemplary product, short turn-around time, competitive pricing, and high-quality customer support has produced extraordinary product-line acceptance and customer loyalty.
